The Jib

From Commodore Judy Tucker

The work being done on the club grounds/landscaping is coming together nicely. The “swing set” and “pool” committees are working hard to get the club ready for summer. A huge thanks to every-

one who was at the work party on Sunday!

In June we will be looking at clearing out the “back forty” of all the old boats that are no longer used. I’m working with FC Mike Wiedl and PC Jack Dally to identify old boats that can be removed. If you have a boat back there, please reach out to me. It pains me to throw out a boat, but we need to clean it up.

We held a fun cocktail party and an informative General Membership meeting on May 12th. We presented and passed our Flag Officer's budgets that include many expenditures to improve our club. We reviewed the Bylaw changes that were made by the BOD and the membership voted unanimously to pass the draft for changes to the Constitution. The General Membership will need to vote again at the next GM meeting to finalize the changes.

Continued From Commodore Judy Tucker

A new change has been made to the application process. All people applying for membership must attend one event at NSC prior to submitting an application. The Sponsors of all applicants must assume much more responsibility for a sponsored applicant. This includes verifying the integrity and character of applicant, ensuring that new members get acclimated to the club and attend events and work parties.

Items of note for membership is that we have moved the Commodore's Ball to September 16th at Ellden's at River Oaks.

I am looking forward to seeing everyone on the water and at the club.

From Rear Commodore Brian Atkinson

What a great work party this past weekend! A great showing and a lot of work got done. Thank you to all who attended.

The Memorial Day Opening Ceremony is in the planning stages for this upcoming Monday, May 29th. The ceremony starts at 11am after which we will cook hot dogs and hamburgers. Please bring a dish to share. Officers should all be present in Summer white uniforms. This is a great ceremony. Consider bringing your children and grandchildren to see this ceremony steeped in tradition.

See you then!

From Fleet Captain Mike Wiedl

Things are moving right along at the club. Summer is upon us. Thank you to everyone who has helped with all the work. I'm still looking for volunteers for dock repair help. If you have some time, please let me know.

Please contact Jim if you wish to purchase any of the remaining club furniture.
